I am writing to highly recommend the services of Burgess Florist. For the past 10 odd years I have had the pleasure of working with them for special events and personal arrangements for staff and dignitaries and am always extremely impressed with their talent, professionalism, and dedication to their craft.

From the initial consultation to the final delivery, Tracey from Burgess Florist went above and beyond to ensure that every detail of the floral arrangement was perfect. They took the time to listen to my requests and brought it to life in a way that exceeded my expectations. The flowers were fresh, beautiful, and arranged with expert precision.

Not only did Burgess Florist provide stunning floral arrangements, but they also provided excellent customer service. They were responsive, communicative, and went out of their way to accommodate any special requests or last-minute changes.

I have worked with many florists in the past, but Burgess Florist truly stands out as one of the best in the industry. I would not hesitate to recommend them to anyone in need of a talented and reliable florist for their next event, especially corporate.

Thank you, Burgess Florist, for your exceptional service. I look forward to working with you again in the future.

Sincerely,
